## SPINNER Acoustic wall panel

Through its irregular form the Spinner provides a playful touch and acoustic performance to any space. As with all Akomo products you can combine colour and form to create your own acoustic comfort. The Spinner is mounted on the wall using the same principle as the Franklin and the Flash.

### Application

- Wall

### Properties

- Sound Absorbing
- Lightweight
- High aesthetic value

### Mounting

Installation is very easy as each unit is hung individually.

### Cleaning
